

Personal travel service

While the majority of ticketing made through KIH's travel department is done for business travel, services are available to all employees for personal travel. All employees interested in using the service may want to note these few steps to take to insure fast, efficient service.

For your personal travel needs, choose your destination and the dates of travel you have in mind. Call your preferred airline direct and book the reservations yourself. At that time, inform the airlines that you will be purchasing the ticket at the KIH travel office.

Alert the travel department about your flight and the dates you have booked. Tell them how you intend to pay for the ticket (by check or credit card, no cash accepted) and the date that you need the ticket.

Advance reservations need to be reconfirmed at least one week prior to departure.

Because the travel office handles all business travel for KIH as well as K mart Apparel, both domestic and international flights, plus all regional office and distribution center travel arrangements, they cannot at this time handle personal package tours or personal international reservations.

However, Expert Travel can handle all KIH personal tour packages as well as international flights. They are located at 755 W. Big Beaver and their phone is 362-3260. Call them or drop by to let them know what type of package or international flight you are interested in. Leave your name and phone number and they will get back to you with the necessary information.

Another person has been added to K mart's travel department. Linda Frohish recently joined the company with experience from a travel agency in the area.

Women and men soccer players wanted

Sign up for K mart's Women's Soccer Team and not only will you have a great time participating, but you will also be shaping and toning up your muscles as well as giving your cardiovascular system a good workout.

Practices will be weekly at Boulton Park, located at Crooks Road between Wattles and Big Beaver. Even though you may have never played soccer, you can learn the basic strategy of the game in a few practices. Eleven people are needed to play the game including the goalie. Several substitutions are made throughout the game to give enough playing and rest time to all team members.

Organizers for the Men's Soccer League are going to try to have one team

in each age group division - an 18 and over division and a 30 and over division. Tryouts for the younger division are open to all K mart men, regardless of age.

All practices and tryouts for the men's league will be held at Boulton Park on Mondays at 4:30 pm. Men's competition games will be played on Mondays and/or Wednesdays during July and August.
